

Request for Quotation (RFQ) for construction project

Procurement Process:	ITB – Invitation to Bid
Office:	Medical Action Myanmar Head Office
Submission Deadline:	30-June-2024 17:30
Posted on:	21-March-2024
Reference Number:	ITB/2024/00216

Overview

We are looking for supplier interested in quoting for 5 solar systems ranging from 15-35 kWP for 5 locations in Yangon. Interested companies can request the complete Invitation to Bid with the project details from construction.officer@mam.org.mm.

Bidder eligibility

Please note that only bidders who comply with the following criteria are eligible:

- 1) Bidder must provide a track record of actual annual generation relative to projected generation within the Bidder's operational assets (if applicable).
- 2) Bidder must outline the approach the bidder will take to ensure the installed system(s) meets the projected generation values.
- 3) Bidder shall have experience with projects of at least 400,000,000 MMK in value (individual projects, not cumulative)
- 4) Bidder must demonstrate a track record of successfully completing solar projects of comparable scale and complexity, with a minimum of 0.5MWp or more.
