# GET VACCINATED EVEN IF YOU HAVE HAD COVID-19

This is because we don't know how long the immunity from getting the disease lasts.

Think of the vaccine as a booster to protect your longer.

DOING IT ALL, PROTECTS US ALL

Hand Hygiene

Physical distancing

Wearing a mask

Contact tracing

Isolation & quarantine measures

Good ventilation

Vaccination

Always remember to follow these precautions to control the spread of COVID-19 and its variants.
