MINISTRY OF EDUCATION

**COMPREHENSIVE EDUCATION SECTOR REVIEW
2012 ~ 2014**

Comprehensive Education Sector Review (CESR) 2012 ~ 2014

Our Mission

To develop education policies, legislation and plans that:

- utilise accurate, up-to-date information
- reflect the hopes and aspirations of the people of Myanmar, and
- meet the development needs of our country

Objectives

- A. Develop a knowledge base on the strengths and challenges in the Myanmar education system and identify areas for reform
- B. Support and contribute to the development of evidence-based policies, legislation and education sector improvements
- C. Develop costed education sector plans (based on the findings of the review)

Plan-of Action

- Phase 1:** Rapid Assessment
(completed by early 2013)
- Phase 2:** In-depth Education Sector Analysis
(completed by end December 2013)
- Phase 3:** Development of Education Sector Plan
(due by mid 2014)

Six Focal Areas for Phase 1

1. Quantitative analysis
2. Overarching and basic education policy, legislation and management
3. Overarching Technical and Vocational Education and Higher Education policy, legislation and management
4. Financing Education
5. Stakeholder analysis and development partners mapping
6. Special study on textbook supply

Five Components for Phase 2

1. Policy, legislation, management and financing
2. Early Childhood Development and Basic Education (Primary and Secondary)
3. Non-Formal Education
4. Technical and Vocational Education and Training
5. Higher Education

Management System of CESR
