Displacement continues to be reported in the SE as well as returns. In **Bago East**, the 2,379 IDPs displaced the week prior returned to their place of origin following the stabilization of the security situation.

An increase in IDP numbers in **Mon State** can be attributed to persons displaced in Kyaikhto Township from mid-September, due to clashes between the Tatmadaw and the Border Guard Forces (BGF) and the Karen National Liberation Army (KNLA).

Furthermore, in Loikaw and Demoso Townships in Kayah and Pekhon Township in Shan (South), there was an increase in IDP numbers due to armed clashes between the Tatmadaw and the Karenni Army (KA) and Karenni Nationalities Defense Force (KNDF).

Finally, small scale displacement was reported in Thayetchaung Township, **Tanintharyi** following armed fighting between the Tatmadaw and Peoples Defense Forces fighters.
