**Myanmar Health Assistant Association (MHAA)** is organized with Health Assistants and is a national association of public health professionals devoting towards accessible and equitable quality public health services through health promotion, prevention and control of diseases. MHAA stands as a united, independent organization earning public trust and international recognition. MHAA works in Myanmar to execute health programs that focus on strengthening and enhancing community access to coordinated, effective, and comprehensive health care services. MHAA is actively implementing programs in 89 townships of Myanmar in the areas of disease control, RMNCHN, WASH and emergency response. Accountability, respect for human dignity, empathy, non-discrimination, integrity, and professionalism are among the MHAA’s core values. Please visit [www.myanmarhaa.org](http://www.myanmarhaa.org) to learn more about the MHAA.

**Position Summary**

The position is to collaborate with the MHAA dynamic team to provide strategic guidance in DSTB and DRTB for all MHAA projects. The successful candidate will work directly with the Head of Program. S/he will also be involved in the organizational development process, collaborating with the Head of Program.
The position will:

❖ Provide direction, set priorities, and ensure adequate resource allocation, allowing the TB program to move forward in concert with national objectives and keep abreast of TB initiatives.

❖ Work closely with the Program Director, Head of Program, Central M&E Manager and Central Program Manager to ensure that the program implementing guidelines, protocols and procedures are up-to-date and consistent with National and/or WHO Guidelines.

❖ Take the lead in advocacy concerning MHAA TB programs by communicating and coordinating with key stakeholders.

❖ Deliver professional expertise in research projects and proposals as required by MHAA.

❖ Analyses local and national data to determine disease trends and provide strategic direction in program designs and interventions.

❖ Evaluate ongoing TB programs to identify the program gaps, and rooms for improvement, and provide inputs to develop possible strategies and solutions.

❖ Provide technical inputs in the preparation and review of proposals and reports.

❖ Collaborating across departments, contributing to setting realistic project targets and timeframes in MHAA TB programs.

❖ Provide training and workshops on updated guidelines and protocols for MHAA staff, partners, and volunteers.

❖ Provide technical inputs to ensure MHAA TB programs are in line with conceptual frameworks of gender mainstreaming, social inclusion, disability inclusion, emergency preparedness, and conflict sensitivity.

❖ Travel to different job locations as required.

Skills and Requirements

❖ Advanced university degree in Medicine, Public Health, or relevant Social Sciences.

❖ A minimum of 10 years of relevant experience in programming, developing technical guidelines, training, and research in TB programs.

❖ Technical capability and experience in developing and analyzing public health policies, strategies, and operating programs at community, state, and national levels.

❖ Strong initiative, flexibility, proactivity, and ability to anticipate needs and changes.
Self-discipline to meet deadlines and a strong work ethic.

Excellent written and verbal communication skills with well-developed interpersonal skills

Strong Interpersonal and organizational skills with ability to manage staff and address conflicts as necessary.

Able to travel to field (Project Areas).

Ability to work systematically, accurately, independently and under pressure.

Respect and regard Myanmar Health Assistant Association (MHAA) Policy.

Application Instructions
Candidates should submit their application, including their curriculum vitae and application letter, in one attached file (either Word or PDF file), to the Myanmar Health Assistant Association at hr.recruitment@myanmarhaa.org, quoting "TB Consultant VA-03/20224 MHAA-HR" and referring clearly to the vacancy announcement number and location as advertised in the subject line. The deadline for applying is March 5, 2023 Myanmar time.

- Application will not be successful if applied position is not mentioned correctly.

- Only short-listed candidates will be contacted for interview. Telephone query will not be answered.

- Application received after the closing date and time will not be considered.
