## Vacancy Announcement: Medical Doctor or Health Assistant (2 Positions)

Myittar Resource Foundation (MRF) is seeking qualified candidates for the following position in Sittwe, Rakhine:

Position : Medical Doctor (or) Health Assistant (Local candidates from Sittwe only)

Location : Sittwe and nearby villages, Rakhine, Myanmar

Salary : MMK 1,000,000 per month

Duration : 3 months

### Key Responsibilities:

1. Provide medical care and treatment to patients in Sittwe and surrounding villages.
2. Work 5 days per week, from 9:00 am to 4:00 pm.
3. Maintain accurate and timely medical treatment records.
4. Submit daily medical treatment records to the Township Medical Officer's Office using the format provided by their office.

### Requirements:

#### For Medical Doctor:

1. Valid medical license from the Myanmar Medical Council or relevant authority.
2. Experience in primary healthcare and patient management.

#### For Health Assistant:

1. Certification as a Health Assistant from a recognized institution.
2. Familiarity with community health programs and basic medical procedures.

### Qualifications:

1. Ability to work independently and as part of a healthcare team.
2. Excellent communication and interpersonal skills.
3. Compassionate and committed to improving healthcare access in underserved areas.

Interested candidates who meet the above requirements are encouraged to apply. Please submit your CV and relevant documents to the following contact person by May 17, 2024.
