JOB OPPORTUNITY
CBID PHYSIOTHERAPIST
KENG-TUNG TOWNSHIP

The I C.A.R.E. Programme (Inclusive Communities Advocating for the Rights on Rehabilitation and Education), jointly coordinated by New Humanity International (NHI) and Don Carlo Gnocchi Foundation (FDCG), implements Community Based Inclusive Development (CBID) activities in favor of People with Disabilities (PwD) in Dala Township (Yangon), Taunggyi and Keng Tung and other priority areas as identified by the partner organizations within the project co-funded by UNICEF Myanmar.

The Physiotherapist will join a team of professionals under the direct coordination of the Program Coordinator (hereinafter PC) of FDCG, the Programme Assistant (PA) and the overall supervision of NHI Country Director (CD).

Duty Station

The main duty station is Keng-Tung township. The activities will be conducted both at the patients’ houses and in the rehabilitation center. Other locations might be included based on programme needs.

Role overview

The focus of the Physiotherapist is to plan and carry out individual treatment programmes, by assessing patients’ physical state and disabilities, to maintain, improve or rehabilitate the physical well-being of the patient where possible. The Physiotherapist will coordinate with other team members for project activities planning, reviewing, implementation and monitoring. The Physiotherapist will work closely with patients, family members, and caregivers.
