How to reduce risks of COVID-19 infection in the classroom

- Encourage students to clean their hands frequently.
- Open windows, if possible and safe.
- Make a closed bin for used tissues available.
- Advise your students to stay at home if they are not feeling well and to inform you if they start to feel unwell at school.
- Protect yourself and others by getting vaccinated against COVID-19.
- Ensure physical distancing at least 1 meter apart.
