

### About

Learn about MIMU and its products including spatial data and maps, 3W products, Baseline Data and other resources which support humanitarian, development and peace-focused activities across Myanmar. Understand the Terms and Conditions for use of MIMU products.

### Emergencies

Find resources on current emergencies & emergency preparedness, including cluster/sector information and flood tracking tools. Access MIMU's Emergency Response Dashboard, the Emergency Cash Transfer Programme Tool, and COVID-19 resources.

### Data & Database

Explore MIMU 3W products to see Who is doing What, Where, When, for Whom; Access baseline data for more than 200 indicators to support planning & monitoring; Try MIMU's Excel Mapping Tool; Download Place Code and village listings, or submit a new or corrected Pcode.

### Contacts & Coordination

Find information on the inter-agency Coordination teams, donors, the UN, NGOs, and the Red Cross societies in Myanmar

### MIMU Analysis

This page brings together MIMU's various analyses seeking to better understand vulnerability in Myanmar based on available information and data - see MIMU Vulnerability Study and Analytical Briefs; View our highlights video for developments across the country since 1992.

### Country Information

Get an overview of general information on Myanmar data including poverty and vulnerability, legislative instruments, human rights, aid policy, and the SDGs in Myanmar; Explore ACLED conflict data, townships profiles and the latest market analysis information.

### GIS Resources & Agency Maps

Download a variety of GIS resources including shapefiles; Find agency maps; Explore map layers on MIMU's Geonode, and make your own maps on MIMU's Web Mapping Platform.

### Assessments & Publications

Find Myanmar-focused surveys, assessments & publications; Explore the interactive assessment dashboard; Browse MIMU's library catalogue for older publications.

### Jobs & Trainings

Find vacancies in humanitarian and development sectors for international & national staff; Submit vacancy notices; Learn through MIMU technical training resources; Find more on other training and scholarship programmes relevant to humanitarian and development work.

### News from MIMU

Get the latest update on new maps and information products, upcoming training courses and more.

### 3W – Who is doing What, Where

Quickly access information on WHO (which organization) is doing WHAT (which activities), WHERE (in which locations), WHEN and for WHOM.

### Calls for Proposals

Look for grant opportunities and submit new calls for proposals in humanitarian and development sectors.

### New Uploads

Look here for new files available for download.

### MIMU Photo Archive

View photos of agencies' humanitarian and development work around the country; Register to upload or download images in line with the Terms and Conditions; Find and share good practice resources related to taking and using photos for different purposes.

### COVID-19 Resources

This page includes information and guidance regarding the current outbreak of Coronavirus disease (COVID-19) pandemic, including audio resources in 18 ethnic languages.

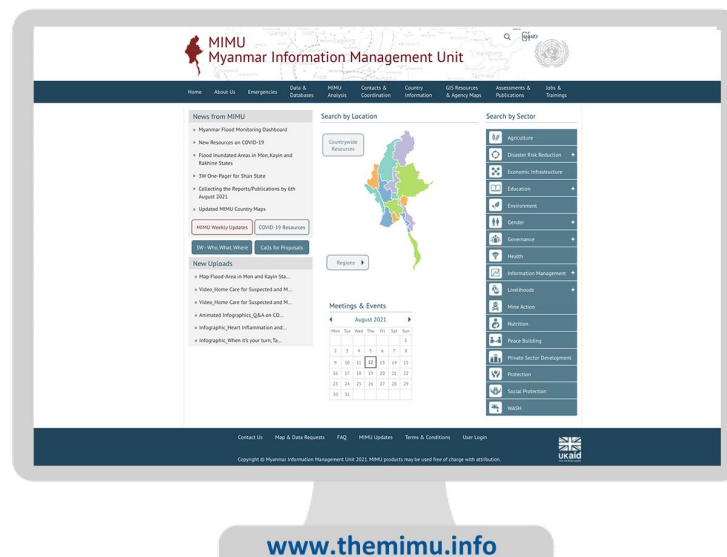

### Map & Data Requests

Request a printout of an existing map, a customised map showing what you need, additional data or technical advice.

### FAQ

Find answers to frequently asked questions about MIMU and our products and services.

### Infographic ID: MIMU IG\_005V03 - Updated 26 August 2021

The Myanmar Information Management Unit, or MIMU, provides information management services to strengthen analysis and decision-making of the humanitarian and development community in Myanmar. It comes under the oversight of the United Nations Resident and Humanitarian Coordinator and receives operational support from UNDP.
