

MYANMAR EARTHQUAKE RESPONSE

RESPONSE TO DATE

1 May 2025

Myanmar Red Cross Society earthquake response locations

Priority Actions

Health

- Provision of emergency health care services through mobile clinics, First Aid, and Mental Health and Psychosocial Services (MHPSS).

Water, Sanitation & Hygiene

- Distribution of safe water for drinking, clean water for other domestic usage, emergency latrines, hygiene items, and hygiene promotion.

Emergency Shelter & Relief

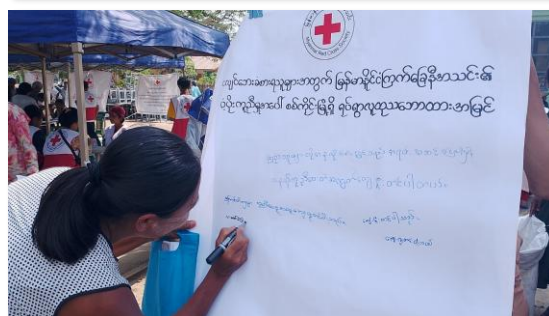

- Provision of emergency shelter assistance, i.e., tarpaulins, family tents, shelter toolkits, and complementary cash.
- Provision of food and non-food items.

Shelter Cluster Coordination

- Co-ordination of subnational Shelter Cluster through deployment of two Shelter Cluster Coordinators who are supporting development of technical guidance around minimum standards for emergency shelter, among others.

Protection & Community Engagement

- Mainstreaming protection and inclusion (including distribution of gender- and age-specific kits), ensuring capture of community feedback, child-friendly spaces, and integration of PGI principles.

In Sagaing Region, Red Cross Volunteers and staff are providing food, cash, relief assistance, clean water, medical support, and psychosocial support. Community members have access to a community feedback board. Many have expressed gratitude for MRCS actions. (Source: MRCS, 29 April 2025)
