MIMU HDP Nexus 5W

MIMU HDP Nexus 5W – 22 Sectors, 152

Sub-sectors

Sub Sector	Sub Activities/Brief Description
Livelihoods Sector	
Cash For Work	Cash support to individuals for construction/repair of critical community-level infrastructure (jetties, footpaths, roads, schools, health facilities, etc.). Involves the use of employment-intensive techniques and local labour to facilitate rapid income generation.
Cash Grants	The provision of unconditional cash transfer/cash grant (not loan) to vulnerable individuals or households to meet their basic needs for food and non-food items, or services, or to buy assets essential for the recovery of their livelihoods.
Income Generation Support	Conditional cash grants to vulnerable individuals or households to support sustainable livelihood generation.
Micro-Finance	Microfinance support to those who would not normally qualify for credit through the banking system to improve their livelihoods (i.e. women, the landless, and other marginalized groups).
Support to CSOs	Building the capacity of/supporting civil society organizations – community-based organizations, youth groups, women's groups and other self-help organizations – including through community mobilization activities and the strengthening of women's networks.
Vocational Education and Training	Training to provide individuals with knowledge, skills and competencies required for a particular job in the labour market.

- ❑ Subsectors developed with clusters/sectors/technical and expert working group
- ❑ Periodic review with minor changes but subsectors must be distinct

Additional Data Protection measures since 2021

1) Agency names no longer appear in Public products

- But may be shared in 5W data for restricted use by contributing agencies, for inter-agency coordination.

2) Agencies decide level of data protection when submitting their 5W inputs

- **Open** – agency names can be shared for restricted purposes (contributing ags, inter-agency coordination)
- **Restricted** – agency name is marked UNSPECIFIED, including in restricted products

% of reported data rows

2021 – no agency names in public products

Myanmar 5W Village Tract Dashboard

All Reported Activities as of August 26, 2022
This dashboard gives an interactive view of 'Who is doing what, where, when and for whom' at State/Region or Township or Village Tract level. The activities of agencies which did not report to village tract level cannot be shown on the VT map. Select the area, sector, agency etc. of interest to see the customised view.

MIMU 5W Overview

Reported Activities as of August 26, 2022

This dashboard gives an interactive overview of MIMU's 'Who is doing what, where, when and for whom' from State/Region to village/tract level summary information along with search filters. It includes MIMU's 5W Overview reports which were previously provided in report form. Select the State/Region, Township, Project Focus or Project Status of interest to see the customised view.
