

The International Committee of the Red Cross (ICRC) is an impartial, neutral and independent organization whose exclusively humanitarian mission is to protect the lives and dignity of victims of armed conflict and other situations of violence and to provide them with assistance. The ICRC also endeavors to prevent suffering by promoting and strengthening humanitarian law and universal humanitarian principles. Established in 1863, the ICRC is at the origin of the Geneva Conventions and the International Red Cross and Red Crescent Movement. Please visit www.icrc.org for more information.

Ortho-prosthetist

Reference Number: 2503001_MYI_Ortho-prosthetist 2 (Re-announcement)
Salary Grade: B2
Report to: PRP Team Leader
Duty Station: Myitkyina
Application Deadline: 23 March 2025
Start date: As soon as possible.

Job purpose

The ICRC Physical Rehabilitation Program (PRP) is looking for an Ortho-prosthetist to be based in its Myitkyina Sub-Delegation. Contribute to the implementation of the Physical Rehabilitation Project activities in accordance to agreed objectives and related strategies, particularly in relation to improved quality and capacity of prosthetics and orthotics (P&O) and wheelchair service provision. As a member of the physical rehabilitation multidisciplinary team, s/he contributes to the implementation of internal and international P&O standards, overall service provision standards and monitor the quality of the services provided (from registration of the service user to discharge). S/he will personally provide services to more complicated/complex cases.

Main responsibilities

- Advise on the design of the prosthetic/orthotic device including interface, suspension, and selection of the proper components.
- Contribute to all technical and clinical work of the Physical Rehabilitation Centre and facilitates the provision of P&O and wheelchair services.
- Formulate a range of prosthetic or orthotic designs including selection of materials, components, and additional aids.
- Perform and/or supervise fabrication of the prosthesis, orthosis, and wheelchair assembly.
- Carry out fitting, static, and dynamic alignment and, where appropriate, preliminary training and initial check-out.
- Follow-up the gait training and gait analysis of the patient under his responsibility together with the Physiotherapist.
- Perform final quality control checks together with the Physical Therapist in preparation for finishing and for delivery according to established ICRC standards.
- Plan, and develop tailored trainings for the partners involved in the repairmen network in Kachin State.
- Participate in Beneficiary feedback and technical assessment (BF & TA) and able to implement recommendations based on the outcomes.
- Contribute to monitoring the PRC's stock consumption and actively participate in the planning and ordering of workshop equipment, materials, and tools.
- Fill all support documents related to machine and tools maintenance, repair, and replacement.

Requirements and experience

- Degree or Diploma in Orthopaedic Technology.
- Additional relevant degrees (e.g. pedorthist) are an asset.
- Minimum 2 years working experience as an ortho-prosthetist, with at least 2 years with a wide scope of practice.
- Strong commitment and motivation for humanitarian work and work with People with Disabilities.
- Essential computer literacy (Word, Excel, Internet).
- Fluency in both oral and written communication in English and Myanmar, fluency of other local languages an asset
- Fosters collaboration, creativity, positivity, and flexibility in the workplace.
- Previous ICRC experience is also a strong asset.

Your Profile

- Strongly motivated by humanitarian work, and proactive attitude.
- Effective communication, networking and listening skills.
- People person and genuine sense of empathy.
- Autonomous and adaptable, with ability to interact collaboratively in a multidisciplinary and multicultural team.
- Excellent writing and summarizing skills, and good knowledge of digital tools.
- Robust organizational and prioritization capacities.
- Capacity to exercise discretion.

- Capacity to work under pressure in an armed conflict-affected area and remote environment.
- Good understanding of the armed conflict dynamic affecting Kachin State and its humanitarian consequences.

We offer

- A unique and rewarding opportunity to help the victims of violence in a fast-paced environment.
- Initial training and onboarding organized.
- A 12-month contract extendable.
- A competitive compensation package including medical coverage and transportation allowances.
- A training opportunity to develop and strengthen the quality of the services provided to our beneficiaries as well as to support our staff members' professional and personal development.
