Organization Background:

RMO - Ratana Metta Organization was founded on September 10, 2004, with the main objective to prevent transmission of HIV/AIDS in Myanmar. Since then, it has grown enormously into one of the outstanding local NGOs in Myanmar covering health, child protection, livelihood, women, youth, and peace-building sectors. In partnership with the UN, INGOs, NGOs, and CBOs for over 20 years, RMO could hold excellent track records in implementing multi-sectors projects. RMO is now operating 10 branch offices in different parts of Myanmar. Registered with the Ministry of Home Affairs (Registration No. 0118/2022), RMO is systematically organized with its vision, mission, objectives, core values, and strategic plans.

Duties and Responsibilities

- Oversee the financial management of the project and ensure all expenditures align with the approved budget.
- Prepare monthly and quarterly financial reports for internal and donor use.
- Monitor and track project spending, ensuring adherence to donor compliance and organizational policies.
- Process payments, manage petty cash, and review financial documents from field teams.
- Maintain accurate financial records and ensure proper documentation of all transactions.
- Work closely with the procurement committee to ensure transparent and efficient procurement.
- Participate in project planning to ensure financial needs are clearly captured and supported.
- Provide financial support during activity implementation, including trainings, distributions, and assessments.
- Participate in internal audits and ensure timely resolution of audit findings.
- Conduct field visits to project sites to verify financial documentation and provide support to field teams.
- Train project staff on financial procedures and compliance requirements.
- Support budget revisions and forecast exercises in coordination with the Project Manager.

Job Requirements:

- Minimum 3 years of experience in financial management within an NGO or development organization.
- Experience managing multi-donor budgets and field-level financial tracking.
- Must travel as required by project activity.
