Background of the Program

Myanmar Red Cross Society (MRCS) is volunteer-based humanitarian organization throughout the whole country acting with and for the most vulnerable at all times.

In 2023, MRCS is increasing its engagement in the Rakhine, Chin, Sagaing, Magway and Mandalay State/Region through immediate, medium, and long-term support to people affected by communal violence. As Operations Management Unit is taking responsibility to implement the conflict-affected areas such as Rakhine, Chin, Sagaing, Magway and Mandalay State/Region. MRCS, in collaboration with the Norwegian Red Cross, is implementing a program in Rakhine, Chin, Sagaing, Magway and Mandalay State/Region. The program seeks to contribute Humanitarian Assistant to people affected in Chin, Sagaing and Magway Project. The programme is targeting township in Chin, Sagaing, Magway and Mandalay State/Region is under management of Pakokku Hub Office. The programme is strengthening Myanmar Red Cross Society (MRCS) capacity to engage communities in resilience programming through

MRCS-NRC/ Health Officer for OMU(15/5/2025)

Humanitarian Assistant, Risk Awareness and safer behavior, Child friendly space and primary health care services, training and awareness building. The programme will also seek to address an observed need for health services and lack of awareness surrounding hygiene practices in villages through direct interaction with community members. This position is initial three months and high possibility of extension as long-term program.

Purpose of the Position

Health Officer is a member of one of the MRCS mobile clinic teams operations in Rakhine, Chin, Sagaing, Magway and Mandalay State/Region, providing primary medical care to populations affected by communal conflict and displacement. Mobile clinics will travel to different locations on a rotating basis, as guided by the State and Township Health Department. The contributes to the field operations of the mobile clinic, ensuring that health services are provided to the targeted community, supervising the other members of the mobile team (nurses and local aid workers) as well as coordinating with SHD, Local Red Cross, local community and village leaders, and other organizations providing health care as necessary.

Health officers work to enable and encourage people to increase control over their state of health. Health promotion is a social and political process that aims to increase the health education of individuals by MRCS CBFA tools and allowing them to make healthy choices in the lifestyles. Health officers work within the community to promote engagement in health issues, Psychosocial Support and awareness of community-based first aid services.

Duties and Responsibilities
