Application Period : May 27, 2024 to until candidate identified

Brief Info about Program: In 2017, MRCS is increasing its engagement in Rakhine state through immediate, medium and long-term support to people affected by communal violence. MRCS is setting up Operation Management Unit. MRCS in collaboration with the Norwegian Red Cross is implementing a Health programme in Central Rakhine. The programme seeks to contribute primary health care services to communities both directly and indirectly affected by communal violence. The programme is targeting Sittwe township in Rakhine State. Health Programme in Sittwe Township is under the management of Sittwe Hub office. The programme is strengthening Myanmar Red Cross Society (MRCS) capacity to engage communities in resilience programming through primary health care services, training and awareness building. The programme will also seek to address an observed need of health services and lack of awareness surrounding hygiene practices in villages through direct interaction with community members. MRCS is seeking (3) Nurse to join this team. The position is initial three months and high possibility of extension as long-term program.

Purpose of the Position: The **Nurse** is a member of one of the MRCS mobile clinic team’s operations in Sittwe Township, Rakhine State, providing primary medical care to populations affected by communal
