Background of the Project

In 2023, MRCS is increasing its engagement in the Chin, Sagaing, Magway and Mandalay state/Region through immediate, medium, and long-term support to people affected by communal violence. Operation Management Unit is taking responsibility to implement the conflict-affected areas such as Rakhine, Chin, Southern Shan, Sagaing, Magway and Mandalay State/Region. MRCS in collaboration with the Danish Red Cross is implementing a Health program in Rakhine, Chin, Sagaing, Magway and Mandalay State/Region. The project seeks to contribute primary health care services to communities both directly and indirectly affected by communal violence. The programme is targeting township in Chin, Sagaing, Magway and Mandalay State/Region. Health Programme in Chin, Sagaing, Magway and Mandalay State/Region is under the management of Pakokku Hub office. The programme is strengthening Myanmar Red Cross Society (MRCS) capacity to engage communities in resilience programming through primary health care services, training and awareness building. The programme will also seek to address an observed need for health services and lack of awareness surrounding hygiene practices in villages through direct interaction with community members.
