Myanmar Medical Association Adolescent Sexual and Reproductive Health Project

Post	Project Officer (Full time)	
Areas Responsible	Yangon Region	
Duty Station	Yangon-based	
Starting Date	May 2025 (As soon as possible)	
Duration	8 months (Probation 3 months) and Extendable	
Vacancy Number	047/MMA -ASRH Project/2025	
Vacancy Closing Date	12.5.2025	

Functional and Hierarchical Lines

- ➤ Hierarchically accountable to: Senior Manager of PMD, Myanmar Medical Association, and Project Manager of MMA-ASRH Project, Myanmar Medical Association.
- > Functionally accountable to: **Project Manager** of MMA-ASRH Project, Myanmar Medical Association.

Position Profile

- ➤ Assist and Collaborate with the Assistant Project Manager to oversee the comprehensive execution of Adolescent Sexual and Reproductive Health (ASRH) initiatives in designated project areas.
- > Supervise a diverse project team, including Assistant Project Officers, Project Assistants ensuring the effective and timely implementation of ASRHR-related activities
- > Participate in project-related activities and perform ad hoc duties as required or assigned by the Project Managers.
- > Duty travel as required to support project activities.

Duties and Responsibilities

Under the overall supervision of Project Manager and direct supervision of Assistant Project Manager, the Project Officer is expected to:

Specific Responsibilities

Promoting access to Adolescent and Youth Friendly Health Services

- ➤ Lead the promotion of adolescent and youth-friendly health services (AYFHS) by coordinating with private health care providers and clients.
- > Collaborate with general practitioners to be oriented about AYFHS
- > Conduct the stakeholder meeting and CME program like Meet the Specialist session
- > Ensure the data management on provision of AYFHS

Capacity development

- Conduct organization-wide training needs assessments, collaborating with the Senior Technical Advisor to identify skills or knowledge gaps and stay informed about new training methods and techniques.
- > Lead the participation of youth volunteers in project related activities
- ➤ Take the lead in developing training and coordination plans and receiving feedback on the capacity development activities and training with the technical support of Senior Technical Advisor
- > Act as a trainer in various project-conducted training sessions as and when required
- Maintain up-to-date training records and data, following project guidelines in the dissemination of ASRH information, and incorporate gender-sensitive and socially inclusive concepts in training programs.
- > Ensure the quality control of data management and proper report writing

Promote the use of young people in HtaWaRa mobile application

- > Take the leading role in creation of ideas, exploring the feedbacks of users to develop the upgraded version
- > Supervise the Assistant Project Officer and Project Assistant for monitoring and updating of HtaWaRa mobile application
- > Ensure the increase of new users by creating youth friendly contents and user-centered activities and to facilitate the outreach of the HtaWaRa mobile application to young people
- > Take the lead in collaborating with the IT company to address any issues encountered during the use of the HtaWaRa mobile application.

Coordination with stakeholders

- > Participate in meetings, trainings, workshops, events, and youth initiative activities related to the management of ASRH projects and youth activities as required.
- > Involve in the development of the team's work plan and cost estimation based on the achievement of targets.
- ➤ Participate in the preparation of State and Region-wise reports on the project implementation status, including data management processes.
- ➤ Work proactively for timely submission of required reports to the Access to Health Fund, States, Regional Health departments, and national programs through the Programme Management Department.

Required Qualifications and Experience

- Must be a graduate from any University and holder of Diploma in social sciences (or) development field (or) related field preferably with focus on reproductive health and adolescent reproductive health knowledge is an asset.
- Must have at least 3 years professional experiences preferably in the field of ASRH related programme management and as a trainer, or a similar role in a corporate environment is beneficial
- ➤ Age between 25 and 35 years
- Must be in good health.
- > Proven ability to complete full training cycle (assess needs, plan, develop, coordinate, monitor and evaluate)
- > Should have adequate knowledge of learning management systems and web delivery tools
- > Strong skills in the use of computers for word processing, excel and power-point presentation and related online applications eg., Zoom application
- Excellent time management skills, public speaking skills, problem-solving skills and both verbal and written communication skills
- > Fluency in English and Myanmar (oral and written)
- > Be knowledgeable about learning management systems and e-learning platforms
- > Ability to handle multiple assignments and assess and analyze data
- > Ability to work efficiently and harmoniously in a team.
- > Ability to work well under pressure
- Need to follow MMA code of ethics
- > Immediate family members of a staff are not to apply for a position in the same project of MMA.
- > Have integrity of character and zero tolerance of Sexual Exploitation, Abuse and Harassment.
