

Medical Officer (m/f/d) – National Position

Malteser International (MI) is the international humanitarian relief agency of the Sovereign Order of Malta. For over 60 years we provide relief and recovery for people during and following conflicts and disasters around the world. Christian values and humanitarian principles form the foundations of our work. In over 30 countries in Africa, the Americas, Asia, and the Middle East, we support people in need – regardless of their religion, origin or political convictions.

MI is working in Myanmar since 2001 and currently employs more than 250 national staff in Rakhine, Shan and Kayinstates. Our work aims at ensuring communities have access to primary health care services. We also offer comprehensive WASH and disaster risk reduction/climate change adaptation solutions and provide relief after disasters. MI strives to enable and empower the most vulnerable communities in marginalized areas through a participatory and sustainable approach.

For its work in **Kengtung Township**, Eastern Shan State, Myanmar, Malteser International is looking for one motivated Medical Officer.

Your responsibilities:

1. To work closely with the Program Coordinator (PC) by taking necessary inputs and guidance and applying them in workplace.
2. To work closely with the Country Technical Coordinator (Health) regarding all Health issues following: Submit for validation all modifications in the Programme that could affect Malteser Health policy and procedures in Myanmar.
3. Responsible for updating and reporting to PC about relevant information, difficulties in workplace in a timely manner.
4. To supervise guide and support the NTP clinic and field staff in their activities.
5. To supervise the clinical and laboratory activities and ensure the quality of cares especially for TB patients under DOT; (diagnosis and treatment in line with the national protocols)
6. To supervise patient referrals, health education, home based care, social support, and other outreach programs.
7. To assist in developing the monthly work plans for the clinics, health education and outreach programs.
8. To monitor and assess the staff under supervision on their work performance on regular basis.
9. Ensure the NTP clinic and field staff to maintain a “client-friendly” atmosphere that is non-judgemental but supportive to clients and to maintain medical confidentiality.
10. To work closely with the Logisticians in monitoring and managing drug stocks and issues.
11. To coordinate with CTC-Health, PC and MEAL Officer and implement Data Quality Assurance in the workplace.
12. Participate and assist in developing appropriate IEC materials, formats, monitoring sheets to carry-out all project activities effectively.
13. To develop and carry out relevant trainings to staff under supervision.
14. To submit a Monthly Activity Report to PC and CTC-Health
15. To participate in the preparation of the Technical Progress Report (quarterly, annual reports) for the donors in close collaboration with the PC and CTC-Health.
16. To represent Malteser International in meetings, workshops concerning TB issues at local and national level.
17. Work as a positive team member, adhere and respect Malteser International guidelines and codes.

18. Maintain a non-judgemental but supportive attitude towards colleagues regardless of their social and educational background.
19. Countercheck suppliers if procurements are carried out without any fraud, bribery, and corruption and if beneficiary received project deliveries in standards.
20. To carry-out any other relevant duties – in accordance with professional capacity and calibre as assigned by the PC.

Your profile:

- M.B.B.S (valid medical registration with SAMA)
- Previous experience working with teams in a community health program in TB Project for a least 5 Years.
- Previous experience in cooperating and negotiating with the government will be an asset.
- Ability to ensure supportive supervision, data collection and reporting.
- Understands challenges faced by rural communities in relation to poor health and lack of knowledge.
- Excellent communicator with strong interpersonal skills and able to deal with the local communities.
- Fluency in written and spoken for English languages.
- Experience working with UN Or NGO will be and asset.

What we offer:

- **Starting date: 1st Jan 2027.**
- **Duty Station: Kengtung Township, Eastern Shan State, Myanmar**
- **Duration of contract: Until 31st December 2027 (with potential extension)**
- **Salary according to qualification and experience: Plus, 13th Month Salary, Contract end benefit as well as Health & Life Insurances**

Working for Malteser International

Malteser is an equal opportunity employer and welcomes applications from all people, regardless of gender, confession, or origin.

Malteser International is committed to safeguarding people within our programmes from exploitation, abuse and sexual harassment and has specific policies on this commitment (including a Code of Conduct) which outlines the expected behaviour and the responsibility of all staff, consultants and other organisational representatives. Malteser International conducts reference and background checks for all staff (including criminal records check for specific roles). By applying this position, the candidate agrees to self-declare prior involvement in sexual misconduct and consents to the disclosure of any such information by former employers during the verification of references.

Any candidate offered a job with Malteser International will be expected to sign MI's Code of Conduct as an appendix to their contract of employment and agree to conduct themselves in accordance with the provisions of these documents.
